Metro South Volunteers celebrates diversity and respects the rights and liberty of each individual to practice their own religion and political beliefs.

Benefits of Volunteering

Discounted Community Education Classes: While you are an active volunteer in our program, (and have submitted time sheets), you will receive a coupon for \$10.00 off one Community Education class each time a catalog is mailed three times per year. These classes are offered in Bloomington, Eden Prairie, Edina, and Richfield.

Professional Experience: If you are taking time to be at home with your family, thinking of a career change, or wanting experience in education, this is a great opportunity for you! Volunteer experience is impressive on job applications and resumes. It is an excellent way to gain experience and develop new skills. We are pleased to provide references, letters of recommendation, and letters to current employers to acknowledge your contribution to our students.

Personal Experience: As a volunteer you will have the opportunity to meet people from other cultures and learn about those cultures, help people adjust to living in the United States, use your creativity in meeting the needs of students and learn more about the literacy community. The greatest reward, however, is knowing you made a difference in the life of someone else.

Tax Deductions: Some of your out-of-pocket expenses connected with volunteering may be deductible when you file your income tax. Consult with your tax advisor concerning your personal tax situation.

Metro South Adult Basic Education Mission Statement

Volunteer Policies and Guidelines

Accept Direction

Accept direction and supervision. While you are an important leader, you do not take the place of a staff member, but are a supplementary person who offers assistance and enrichment with your personal skill and competence.

Appearance

As representatives of the School District, volunteers, like staff, are responsible for presenting a good image to students and to the community. Volunteers shall dress appropriately for the conditions and performance of their duties, including regard to personal hygiene. We have students and staff in the District with fragrance allergies. Their reactions can be mild to severe. Please be cautious in your use of perfumes, colognes, and lotions.

Assignment

It is important that all volunteers stay within the parameters of the assigned task that the teacher or supervisor has directed. Consult with the teacher or supervisor if you would like clarification regarding your assignment.

Communications

Keep good communications with staff, site contact, and other volunteers. Any question is a good question – be sure to ask! Make every effort to arrange a time to talk with the teacher outside of class when there are problems or questions.

Confidentiality

Information regarding our students is confidential. The School District is regulated by the Minnesota Government Data Practices Act. The law states:

1. No information can be shared regarding a student, without the written and witnessed signed consent of the adult student or underage student's parent or guardian.
2. Discussing personal information, regarding an adult student or underage student will be cause for disciplinary action and/or lead to termination of the volunteer.

Confidentiality is important to the integrity of our program. It is important to respect the privacy of all students, staff and other volunteers. Never repeat anything you have heard or seen about individuals while volunteering. To respect confidentiality of your students, do not bring guests with you while volunteering. If you have safety concerns regarding information a student has shared with you, please contact your supervising staff.

Cultural Awareness

Our communities are culturally diverse. It is important that we work with one another positively and be aware of cultural differences. Keep these things in mind as you volunteer with students from other countries:

- respect and learn from each other
- reject unfair stereotypes
- value differences
- work on bridging cultural gaps
- find common ground

Please understand Metro South ABE students, staff, and volunteers practice and hold diverse religious and/or political beliefs. During your volunteer time, please refrain from proselytizing or endorsing political candidates or issues.

Discipline

Volunteers may not discipline students beyond maintaining order in their group or activity. Please report any problems with students' behavior to the supervising staff person. The professional staff of the school is always responsible for discipline.

Non-Discrimination Policy

Metro South Volunteers does not discriminate on the basis of race, creed, color, national origin, ancestry, ethnicity, religion, gender, age, physical appearance, sexual orientation, familial status, or disability.

Staff Responsibilities

Volunteers are an important part of the educational team and suggestions and opinions are always welcomed. It is the professional staff, however, that is held responsible by law for the decisions that are made regarding the instruction of students and school management. For this reason, volunteers always work under the direct supervision of the professionals who are responsible for everything that goes on in the building including student instruction, safety, and discipline.

Student Contact

As a volunteer you will meet many students and will enjoy working with them. However, volunteers should not have contact with student(s), outside of their volunteer assignment. In addition, when working with students, whether individually or in small groups, we recommend you work in a highly visible area. This is not only for the protection of the students but volunteers as well.

Transportation

The District will provide student transportation consistent with the requirements of the law. Transportation of a student by a volunteer in a vehicle or the transportation of a volunteer by a student in a vehicle for any activity directly or indirectly related to Metro South Volunteers is also prohibited for reasons of liability.

Volunteer Dismissal Policy

A volunteer may be dismissed for misrepresenting his/her qualifications, not completing training, not complying with stated responsibilities, and/or disregarding volunteer policies.

- Complaints or grievances regarding a tutor should be presented in writing to the Volunteer Coordinator.
- The Coordinator will provide dated documentation of volunteer infraction(s).
- The volunteer will meet with the Volunteer Coordinator to discuss infraction(s).
- The Volunteer Coordinator and volunteer will develop a plan with a time frame to remedy the situation.
